Biography:-

I have owned Cavaliers since I was eight years old when, as a child in Ireland and have also made up Irish Champions in several breeds. Since moving to England 10 years ago to qualify as a Solicitor, my wife Kirsty & I have bred and made up 3 Champions in the UK, comprising of Crufts BPIB winners, Top Cavalier Puppy in the UK 2022, who was also the youngest CC winner in the UK since the 1940s & the first Cavalier male to go BPIS at an all breed Ch show since the 1970s. Our latest Champion was crowned at Ladies Kennel Association 2024. We do not keep a large kennel of Cavaliers, as we also breed and show King Charles Spaniels, Skye Terriers & Papillons and have been very successful in each of these three breeds; with our current show team comprising of Championship Show Group winners in the UK. We have owned/bred about 35 Champions between us both. I am passionate about dogs and I currently sit on the Kennel Club Judges Sub Committee and on the committee of United Kingdom Toy Dog Society. I award CCs in 4 Toy Breeds & 1 Hound Breed.
